

OAS PreK/Kindergarten AMI Instructions

For each day school is unexpectedly closed, **Kindergarten** students will choose enough activities from the curriculum lists to complete a minimum of 4 hours of work. **Pre-K** students do not have a time requirement, but can choose any of these activities to work on with their families. Any time Pre-K or Kindergarten would like, we would love seeing pictures of you and your family enjoying your time together. Or you can share pictures on our Facebook group.

While 4 hours may sound like a lot, much of that time can be family activities that you normally do together or PE time in the snow, and it doesn't even have to be something from this list, **so don't be stressed about it**. I know you can make it work. 😊 Students must return the completed AMI signature page with any assignments within five days of school being back in session. If it's not convenient to print the page, it's fine to just write it down on a regular piece of paper.

Bible:

- Listen to someone read a Bible story aloud.
- Choose a Bible story to act out with your family.
- Watch a Bible story on video or YouTube.
- Draw a picture of your favorite Bible story.
- Talk about your favorite Bible character and explain why they are your favorite.
- Sing or listen to some praise music and/or Bible songs with your family.

Math:

- Make a set of number cards from 0-20. Mix them up and put them in order.
- Put number cards in order and put that many small objects (beads, beans, blocks, etc.) below each card.
- Write your numbers 0-10
- Sort a collection of objects by color or size or type.
- Use objects to make an AB pattern; for example, fork, spoon, fork, spoon...
- Draw an AB pattern; for example, circle, star, circle, star...
- Make or draw a more complicated pattern; for example, AAB, ABC or AABB
- Make a recipe with a family member to practice measuring and counting.
- Find a YouTube video to watch about counting, money, measuring or telling time.
- Look on YouTube for the Jack Hartmann video about the current month.
- Look at the calendar with your family talk about the day, month and date.
- Play a math game on your iPad or computer
- Play a board or car game with your family
- Practice writing numbers or addition problems and answers

Language:

- Watch a YouTube video about the digraphs **ch,th** and **sh**
- Practice singing the ABC's and then see if you can SAY them without singing
- Write your name in your best handwriting. Remember to start with a capital letter and use lower case letters for the other letters.
- If you know how, write your last name in your best handwriting.
- Walk around your house and search for various letters. Start with looking for the first letter of your name.
- Write a story and draw a picture to go with it
- Draw a picture of your family and label each person. You can write the first letter of their name or try to sound out the whole name if you want.
- Practice writing letters or words with sidewalk chalk.
- Say words that rhyme with these words: cat, dog, bed, big, pop, mug, pup, etc.
- Play a letter or reading game on your iPad or computer
- Practice reading your little books or any other books you have at home

Science:

- Watch a YouTube video about the human body
- Find a YouTube song about the current season and listen to it.
- Draw a picture of you outside dressed for the weather.
- Watch a Magic School Bus video and talk about it with your family.
- Find a science experiment or project to do.
- Make snow ice cream and send me a picture! 😊

Social Studies:

- Do your regular chores
- Watch a YouTube video about
- Make a greeting card and send it to someone who needs to be encouraged.
- Do an extra chore around the house to help your family out.
- Play a game with your family

PE:

- Look up a dance and freeze video on YouTube
- Play indoor hide and seek with family members
- Practice a variety of exercises such as jumping jacks, windmills, toe touches and various stretches with any willing family members
- If you have a jump rope, hula hoop or a game like Twister, play with someone at home
- If there is snow, enjoy ANY fun outside activities

Music:

- Find a Sweet Beets YouTube video to practice with
- Use wooden spoons to keep the beat as you sing some of your favorite songs
- Look up a YouTube video about various instruments and learn about them
- Listen to a variety of music and move your body to match the music

Extra (fine motor, art, etc):

- Play with playdough. (You can even make homemade playdough)
- Paint or color a picture
- Create a fort
- Help make a meal for your family
- Spend some time crafting
- Build a masterpiece with lego or blocks
