## Pre-K Mrs. Joanna Davis

Our Bible story is about young David being chosen by God to be the next King. Our letter is T, our number is 5, our shape is star, and our color is orange.

We have been working on "-at" words cat, bat, sat, pat, rat, mat, and fat. We also had fun going around the hall finding patterns.

Hard to believe that September is already over. Time is flying by. There is a field trip at the end of October. You will have to go with your child and you will need to have done your Sterling Volunteer program and background check beforehand. It can be done in an evening. It will take a few days for you to be cleared so please do it soon and anyone you want to go with your child.

## Kindergarten Mrs. Yossy Castillo

How wonderful is our God! He created us equally but different! We learned that God loves us as we are, even if we speak different languages or have different skin colors. We learned about the numbers 8 and 9 during math. In language we talked about the

letter F. The letter for next week will be M.

Bible verse for next week:

"You will know your home is safe."  
Job 5:24

## 1<sup>st</sup> & 2<sup>nd</sup> Grades Mrs. Jamie Short

There was a lot that happened this week. The class worked so hard to adapt to each change and event that we had. We enjoyed getting to participate in Meet Me at the Pole and track and field day. Two new friends visited our classroom. Guinea Pigs, Princess Peach and Princess Daisy were delivered Wednesday afternoon for us to get to know. If all goes well, we hope to have them as permanent members of our classroom family.

## 3<sup>rd</sup> & 4<sup>th</sup> Grades Mrs. Eva Hill

😊 Track and Field was fun! Thank you for all the help!

😊 MULTIPLICATION! "Much like building a house, to build math skills that will withstand the test of time you need a strong foundation ... multiplication is one of those foundational skill sets that needs to be secure prior to moving onto more complex math lessons."

## 7<sup>th</sup> & 8<sup>th</sup> Grades

### Mr. Demetrius Bell

It has been an incredible week of growth, unity, and spiritual enrichment for our 7th and 8th-grade students at OAS. This week, our young disciples continued their journey of growing by faith in Christ through a series of exciting activities and lessons.

#### Kahoot Bible Challenge: Mr. Summers

We were truly blessed to have Jason Summers from the Gentry SDA Church lead us in another engaging Kahoot Bible challenge. It reinforced our study of Genesis 6 and the book "Steps to Christ". Through this experience, our students not only expanded their biblical knowledge but also deepened their faith in God's grace and forgiveness.

#### Community-Building Tournament

The spirit of unity and camaraderie was alive and well as we took to the court for a scrimmage basketball tournament with our friends from Bentonville SDA School. What made this tournament truly special was the mixing of teams, ensuring that each Bentonville student played alongside one of our own OAS students. Through the shared excitement of the game, we built lasting bonds and showcased the importance of teamwork and sportsmanship.

#### Memory Verse: Matthew 6:9-11

As we continue to grow in faith, our Memory Verse for next week is Matthew 6:9-11, the opening portion of the Lord's Prayer.

#### "Meet Me at the Pole"

This special gathering brought our school community together for a morning of faith, fellowship, and heartfelt prayer. Homemade muffins and refreshing juice were shared, reflecting the warmth and nourishment found in our Christian community. Everyone enjoyed the inspiring message about prayer delivered by Pastor Ryan Watson of the Springtown SDA Church. Pastor Watson reminded us of the power of prayer in our lives. Drawing inspiration from the story of Daniel, he emphasized how Daniel's unwavering faith in God led him to pray even when he found himself in a tight spot. It was a beautiful sight to witness our students, teachers, and families come together in prayer and worship. This event exemplified the spirit of unity in our community. It served as a reminder that, as we grow in faith, we also grow together in Christ's love.

#### Track and Field Day

We capped off the week with a thrilling Track and Field Day on Friday, which was filled with moments of faith, friendship, and physical fitness. After Chapel on Friday, students eagerly participated in a variety of fun activities that challenged their physical and mental skills. Some of the highlights included: the 50 Yard Dash, Standing Broad Jump, Push-Ups and more! While we worked on athleticism, Track and Field Day was also an opportunity for our students to learn valuable life lessons. It

was a reminder that faith and physical fitness go hand in hand. Just as we trust in God's strength and guidance, we can also honor Him by taking care of our bodies and striving for excellence in all that we do.

## A Heartfelt Thank You to Our Valued Volunteers

Your support and dedication were essential to the success of these events. Your willingness to volunteer your time and talents made a big difference in the lives of our students. You helped to create a welcoming and supportive environment for our students to gather and pray, and you helped to make our Track and Field Day a fun and exciting event for everyone involved. We are especially grateful to the Home and School Association for their generous financial support of these events. Your support helps us to provide our students with the resources they need to thrive. Thank you again to all of our volunteers for your support!
