practice for our Education Sabbath program as well as complete our MAP testing. Any students who missed any of our testing days will be able to make up those tests next week. With everything we had going on, we did not get to do much of our normal work. For that reason, we will continue to work on our same treasure verse again next week.

Treasure Verse:

“...I will put my laws in their minds, and I will write them on their hearts. I will be their God, and they will be my people.”

Jeremiah 31:33

I look forward to seeing everyone tomorrow at Education Sabbath.

Pre-K Mrs. Joanna Davis

It sounds like everyone had a wonderful time in the snow. Glad everyone is safe. We are enjoying the snow here at school. We made snow cones and snow ice cream and we enjoyed hot chocolate and cookies. A quick reminder that this Saturday at 10:30 A.M., please have your child in a white shirt and black pants or skirt at the Gentry church for Education Sabbath.

Next Tuesday is picture day. Please have your child here by 8:00 AM. They should start around 8:15-8:30 AM. Students should be in their school uniform. This picture is the one that goes in the yearbook, so everyone needs to be here. We are not sure if we will have a make-up day. They don't have one scheduled at this moment in time.

Kindergarten Mrs. Yossy Castillo

It was a short and cold week! We thank God for keeping us warm and safe. The children enjoyed having recess at the gym but as you can imagine, they preferred to play outside in the snow.

Remember that this Saturday is Education Sabbath at the Gentry church. All students will need to wear a white shirt; girls will need to wear black skirts and boys will need to wear black pants.

☺ We are looking forward to worshipping together with you at our Education Sabbath! Students will be a part of presenting the worship service this Sabbath at the Gentry SDA Church. Please have your child wear black bottoms and a white top and be at the church by 10:30.

☺ MAPS testing will continue next week. The language test will be on Monday, and the science test on Tuesday. A good night's rest and a healthy breakfast each morning help prepare students to feel positive and to do their best.

☺ The cold winter weather is hanging on... Warm appropriate coats, hats, and gloves are so important to help students be comfortable outdoors.

Thank you for keeping our parking lots safe.
