Office News:

Order forms are in the office for **CUTE BALLOONS** and **"SQUISHIES"**. You can order & pay now through Feb. 8, and these will be passed out on Friday, February 9 before our winter break starts. You can order for your child, friends, parents, brothers, sisters, teachers, etc. Each item costs \$3. Thank you for helping the 7th grade class with this fundraiser. One order form will be attached to this NewsNotes, but more order forms will be available in the office, and the classrooms, and on our website.

Pre-K

Mrs. Joanna Davis

Even with having ice on Monday and not being able to come to school, we have gotten a lot accomplished.

Our Bible story is about Daniel and his three friends being taken away from their families and making the right choices, even in bad situations.

It's hard to believe it's already been 100 days of school. We will be celebrating all next week for the 100th day. Please remember your hundred-day boards for we will be starting Monday looking at them.

Our number for the week was 15 and our letter was P. We had fun writing a lot of P words like Pat, pig, pie, piece, purple, and pan.

Your children did wonderfully for our Education Sabbath. I am so proud of them. They sang their song well and did their memory verse well.

Our letter for next week: Pp
Our Bible verse:

"I trust in you, my God!"
Psalm 25:2

1st & 2nd Grades

Mrs. Jamie Short

It was wonderful to be back together again after so many days off. Here are some of the things we have been up to this week.

Math: first grade has been practicing adding three numbers together and second grade is adding three, two-digit numbers with regrouping.

Science: we have been studying health and good hygiene.

Bible: we learned about each of the 10 Commandments; what they mean and why they are important.

Treasure Verse

"If you love me, keep my commandments."
John 14:15

Kindergarten

Mrs. Yossy Castillo

Hard to believe time is going by so fast. We are coming to our 100th day of school! Don't forget to bring your boards on Monday. I can't wait to see what you and your child have come up with.

We worked hard this week but also had fun, especially when we played outside. This week's Bible story was about Moses and how God let the Israelites cross the Red Sea.

We also learn about the Chinese New Year and how people celebrate the New Year in different parts of the world.

3rd & 4th Grades

Mrs. Eva Hill

☺ We are learning about the **Northeast** region of the United States in Social Studies. If your family has a connection with that area, we'd love to have your child share with the class (photos, experiences, facts, or objects).

Students will be memorizing the states and capitals of that region during the next week.

Thank you for keeping our parking lots safe.

Next Week's Lunches: Mon. 29th Sandwiches • Tues. 30th Pizza • Wed. 31st Vegeb主rgers • Thurs. 1st Hot Dogs

☺ **Multiplication mastery** is a critical part of learning math at this level. A quick working knowledge of these

facts is essential to progress in math. Mastery of each fact "family" will be required beginning with the 2's next week.

☺ **Treasure verse quiz on February 2:**

*"Praise the name of God forever and ever, for he has all wisdom and power... I thank and praise you, God of my ancestors, for you have given me wisdom and strength."
Daniel 2:20,23 NLT*

☺ **Spelling words from lesson 20** will be studied and tested next week. An individualized word list for your child to practice is in the Friday envelope.

5th & 6th Grades Mrs. Tania Miller

Dear Parents/Guardians,

Thank you to all who came to Education Sabbath, the students did an excellent job!

We have successfully completed MAP testing this week. Thank you for encouraging your child to do their best!

Just a quick reminder that January book reports are due at the end of this month.

Grade reports have been sent out in student folders. Missing assignments are listed on the grade reports at the bottom. Students are encouraged to take home incomplete assignments this weekend and return them when we get back on Monday. Please sign the outside of the folder to show you

received the grade report and graded papers for this week. You may keep the grade report at home.

Reading: Please help your child do their very best in school and encourage them to read 20-30 minutes from their AR books every evening. January book reports are due at the end of this month.

***Memory Treasure Verse for next week:**

"For God, loved the world so much that he gave his one and only Son, so that everyone who believes in him will not perish, but have eternal life. God sent his Son into the world, not to judge the world, but to save the world through him. John 3:16,17

***Spelling words:**

Spelling words: Our spelling program individualizes student learning. The students take a pre-test online at myzportal.com and based on their results, their spelling list is determined.

We take a pretest on Thursdays, and send home your child's list in their Friday folder.

Please scan the barcode to access the spelling list and to practice with the online tutor. Select the diamond, square or circle depending on the list your child is assigned. (The shape will appear on the list sent home)

7th & 8th Grades

Mr. Demetrius Bell

Mrs. Tara Bailey

This week at OAS, our 7th and 8th grade students have exemplified dedication, focus, and a strong commitment to their academic growth. As we continue our journey of growing by faith in Christ, we are delighted to share some of the highlights from our experience.

MAP Testing Completed ☺

First and foremost, we want to extend our heartfelt gratitude to all who prayed for our students as they completed their Measures of Academic Progress (MAP) assessments. With determination and perseverance, our students knuckled down and showcased their knowledge and understanding across various subjects. Your prayers were felt, and we are grateful for your support in our academic endeavors.

Special Guests ☺

We also had the privilege of welcoming Mrs. Zambrano into our class for part of the week. Mrs. Zambrano's selfless dedication to our students was evident as she graciously shared her time and support on subjects ranging from Math to Language Arts and Bible topics. Her presence has made a significant impact on our growth and development, and we are truly blessed to have had her with us. In addition to our academic pursuits, we had the joy of engaging in enriching activities that strengthen our faith. Elder Jason Summers visited us and conducted an engaging Kahoot game focused on various Bible characters. Through interactive learning experiences like this, our students deepen their understanding of biblical teachings and grow in their knowledge of the Word.

Thank you for keeping our parking lots safe.

Next Week's Lunches: Mon. 29th Sandwiches • Tues. 30th Pizza • Wed. 31st Vegebürgers • Thurs. 1st Hot Dogs

Positive Outlook ☺

Looking ahead, we are excited about the upcoming opportunities for spiritual growth and academic achievement. As we continue our journey at OAS, let us remain steadfast in our commitment to growing by faith in Christ, trusting in His guidance and grace every step of the way.

Thank you for your unwavering support and prayers as we strive for excellence in all areas of our lives.

Feb. 16-18 Our teams will be headed down to Keene, TX, to play in the annual Bobcat Classic Tournament.
